**BEFORE THE ELECTION COMMISSIONER
OF PAKISTAN ISLAMABAD.**

OBJECTION PETITION NO. _____/2018

Malik Shakil Khan Son of Late Mailk Asghar Ali

Khan District Member Bazar Ahmad Khan

Bannu **Objector**

Respectfully Sheweth:

The applicant/ objector humbly submits as under:-

1. That the petitioner is bonafide resident of Tehsil and District Bannu and its an elected member from Bazar Ahmad Khan.
2. That in the year, 2017, census was conducted wherein the population of district Bannu was shown as 11,67,892, which is a considerable increase and consequent there upon as per formula share of seat, $11,67,892 \div 782,651$ and there over the share of seat in the National Assembly is shown as 1.49.
3. That the newly proposed delimitations is in a strange, surprising and discriminatory manner which is creating a disquieting situation and surprisingly the national Assembly constituency of District Bannu i.e NA 35 has become the

largest constituency of Pakistan and the same is discriminated as it was the entitlement of the district Bannu to be given one other constituency at National Level and by not doing so, the petitioner and public at large of district Bannu are discriminated.

4. That other district with a very small population ratio are given national assembly seats while District Bannu is deprived of its second seat in an engineered and tactful manners which is against the law and constitution hence liable to be increased.

It is, therefore, humble prayed that on acceptance of this petition the allocation of one more national Assembly seat to district Bannu be announced. Which is constitutional right of the inhabitants of Distinct Bannu.

Your,

Malik Shakil Khan S/o Malik Asghar Ali Khan
Member District Council Bannu.
