Subject PROPOSED DELIMITATION OF RAWALPINDI DISTRICT NATIONAL ASSEMBLY WISE.

It is stated that during carrying the exercise of the delimitation of NA-60, NA-61 and NA-62 of Rawalpindi District, the natural boundaries i.e. Main Murree Road, Main Dhoke Hassu Road, Main Saidpur Road, and Nullah Lai, which separate different cultures have not been taken into account with the result that different cultures were mingled up while formulating the new constituencies, and thus contiguity and geographical compactness of areas which are main principles of delimitation were ignored.

keeping in view the basic principle of delimitation, a revised delimitation plan is proposed with the request that if the proposed delimitation plan is adopted, the target of multiple cognate features, contiguity and culture harmony will be achieved.

A proposed plan is enclosed herewith.
