Comprising population of 546113

OBJECTIONS

2. There is a huge difference of population i.e. 130424 between the proposed constituencies, which is against the spirit of law.
3. Chak Khasa union counsel comprising of population 11510 which situated in bottom of NA 67 (Surrounded by NA 66) and this UC included in NA 67 without any logic and reasoning which has destroyed the compact of the constituency against the all prevailing democratic and legal norm.

PROPOSAL ON BEHALF OF THE APPLICANT

- ②
- 
1. That the population of the constituencies be made equal.
 2. That compact of the constituencies be made.

Keeping in view the Geograhcally situation of the area and accordance with law.

That the population in the initial constituencies and report of the population of NA -66 , is 676537 and population of NA -67 is 546113 , the constituencies be made equal less or more., if the Municipal Committee Jhelum be included in NA -67 excluded Kala Gujran Town (Circle No.1 to 3) , and UC Chak Khasa be included in NA -66 to made the one compact of NA -66. Kala Gujran Town having population 43226 , according to the proposal the constituencies will be as follow:=

1. NA-66 605124
2. NA -67 660752

Therefore the constituencies be made in light of the above mentioned proposal.

Keeping in view the above facts the objection raised in this memorandum be accepted and delimitation of constituencies No. NA66 & 67 be amended in light of proposal made by the applicant.

Truly,

Shahid Kamal Mirza
