- 5. That according to the draft Proposal for delimitation of constituencies there are variation in population between the constituencies. It is basic principle of delimitation that all the seats shall, as far as practicable delimited having regard to the distribution of population in Geographically compact areas, physical feature, existing boundaries of administrative unit, facilities of communication and public convenience and other cogent factor to ensure homogeneity in the creation of constituencies.
- 6. That the delimitation done by ECP is absolutely void of its own rules to create constituency in clock wise manner. Rather the delimitation has been done from East to west.
- 7. That the create balance between NA-176 to NA- 180 is annexed here with.

### PRAYER

It is therefore, humbly prayed that by accepting this representation of the applicants may kindly be accepted, in the interest of justice.
