**SUBJECT: OBJECTIONS TO THE PROPOSAL OF FORMATION FOR
THE CONSTITUANCY OF NEW P.S. 22, SUKKUR
DISTRICT SUKKUR.**

R/Sir,

It is to bring in your notice under the shape of objections, to the proposal of formation for the constituency of P.S.22, Sukkur: that two of the Tapa's Circle viz. Arcohar and Sangrar are already existing in the constituency of P.S. 23, District Sukkur since long in Taluka Rohri District Sukkur, as they are in the best interest of the local public for their convenience: but recently it has brought in our knowledge that those two Tapas are being shifted to P.S. 22, District Sukkur, on the will, whim and influence of some political person, the same is against the wishes and consent of the dwellers of the effected Tapas, besides it both Tapas will loose its historical sanctity, as they were the part and parcel of the old P.S. IV, Taluka Rohri, District Sukkur, and it is only made to facilitate one person. Whereas, masses/ people/voters will suffer for the rest of their lives.

Accordingly, you are requested on behalf of the people of both Tapas viz. Arcohar and Sangrar that our constituency i.e. new P.S.23 may remain the same without touching its old boundaries.
