Subject: **REPRESENTATION U/S 21(3) OF THE ELECTION ACT, 2017
AGAINST THE PRELIMINARY DELIMITATION OF THE
CONSTITUENCY IN RESPECT IN RESPECT OF NA-211 & NA-
212 NAUSHAHRO FEROZE-I & II**

Respected Sir,

With reference to notification No. F.8(3)/2018-Elec-I dated 05.03.2018, regarding publication of preliminary report of delimitation of constituencies of National Assemblies and Provincial Assemblies, we hereby file objections against the above said preliminary delimitation of National Assembly constituencies NA-211 & NA-212 Naushahro Feroze-I & II as under:

- i. That the principles laid down in section 20 of the Election Act, 2017 and rule 12 of the Election Rules, 2017 have not been complied with in stricto-senso.
- ii. That the Tapedar circle Gher Gaju of Bhiria Road STC of Bhiria Taluka of District Naushahro Feroze is geographically attached with Kandiaro and Mehrabpur Taluka therefore, its inclusion with NA-212 Naushahro Feroze II is against the natural justice as well as against section 20 of the Act *ibid*.
- iii. That most important fact which determines all other factors is facility of communication and public convenience. In the instant case public transport in between Tapedar Circle Gher Gaju is

much better with Kandiaro and Mehrabpur Taluka as compared to Moro and Naushahro Feroze Taluka. Thus the public convenience demands that this TC may be attached with NA-211 instead of NA-212.

2. Keeping in view the position stated above, it is requested that proposed amendments in NA-211 and 212 Naushahro Feroze I & II which have been made purely in the public interest according to the Act may kindly be accepted and delimitation may be done accordingly. After making above amendments, the population of NA-211 will become 806,346 and of NA-212 will become 816,027. Copies of census data, extracts of voter lists and maps are enclosed for perusal, please.
