3. That being a political worker and voter of the area, I alongwith other voters while going through the Draft List of Constituencies of District Shaheed Benazirabad appreciated that the said list was prepared by the Election Commission of Pakistan in accordance with law, Rules and followed the principles of Delimitations looking to and considering the ground realities and public convenience and other cognate factors as laid down in Section 20 of the Act *ibid*.

4. That the above mentioned objector has proposed that TC Marri Sabbar of Jam Sahab STC of Taluka Daur may be included in Constituency No. NA-213 Shaheed Benazirabad-I and excluded from Constituency No. NA-214 Shaheed Benazirabad-II.

5. That the above said TC Marri Sabbar is quite in contiguity with the other areas which have been shown in the Draft List of Constituencies in NA-214 and its exclusion there from will be against the public convenience as the people of that area do not want such change.

6. That the constituency map earmarked by the Election Commission is clear that the above said area is very much contiguet and connected by means of communication, social and economic connections with each other and in the best public convenience.
