

JA 30/03/2018 ①

29th March 2018

The Chief Election Commissioner,
Islamabad.

Sub: Delimitation of NA247 and PS111

Dear Sir,

I have an objection on the delimitation of the above constituency. Defence Housing Authority that is in Cantonment Board Clifton is totally in NA 247 and PS 111 except for Phase 7 Extension DHA that has been removed in the maps.

Three block codes that comprise of the entire Phase 7 Extension DHA have been removed out of DHA/CBC District South and they have been placed in NA 241 District Korangi.

1. 427040201
2. 427040208
3. 427040209

If you look at the map (as marked in blue) the above area is contiguous to NA247 and PS111 and have never been in District Korangi. All development work, management, civic services, and legal jurisdiction of this area is entirely with DHA/CBC and is in District South.

However the rectangular area that is excluded rightly is Qayyumabad that is a part of Korangi District and we agree with that exclusion.

It will be a serious anomaly if this is not corrected.

Yours sincerely,

Zahid
