

To,

The Chief Election Commission,  
Islamabad.

SUBJECT: OBJECTION UPON PROPOSED CONSTITUENCIES  
NA-77, NA-78 DISTRICT NAROWAL.

Respected Sheweth:

1. That the undersigned is the resident of Tehsil Shakargarh District Narowal and voter registered in constituency NA-77 District Narowal and has been contesting the Elections for National Assembly in the past. I have following objections upon the proposed constituencies.

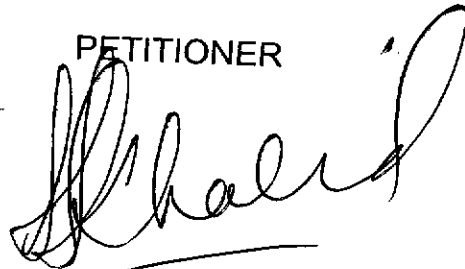

1) In the proposed scheme, the Tehsil Shakargarh has been divided into two parts. One part has been attached with Zafarwal Tehsil and Halqa NA-77 has been formed. The second part has been attached with Narowal Tehsil and Halqa NA-78 has been formed.

As per rules and practice, the small unit should have been partitioned not the bigger one. Tehsil Shakargarh is a bigger unit than Zafarwal Tehsil and it should have not been partitioned.

II) Tehsil Shakargarh is an old unit. It was made a Tehsil before one hundred years in the past, whereas Tehsil Zafarwal was formed as Tehsil in 2004 and it is a new unit. The new unit should have been partitioned instead of old one.

III) Qanoongo Halqa, Kanjroor, Baramanga, Dhudho Chak, Lesser Kalan should be attached with Tehsil Shakargarh and Qanoongo Halqas Zafarwal, Dhanthal should be attached with Tehsil Narowal and both the oldest Tehsil of Shakargarh and Narowal be declared as Halqa NA-77 and NA-78 respectively. The population of both halqas is almost equal.
