**Sub: APPLICATION/REPRESENTATION/APPEAL UNDER
SECTION 21, SUB SECTION, 2 & 3, CHAPTER III OF
ELECTION ACT 2017.**

The applicant proposer most respectfully submits as under :-

1. That I have the honor to invite your kind attention to the subject matter in support of proposed/draft of determination of constituency in respect of district Pishin and a member of Pakistani peoples' party (PPP) I appreciate the efforts of election commission of Pakistan in making the comfortable and feasible provincial constituency in respect of district Pishin 2 Objection to proposal draft constituency of District-Pishin by ECP.
2. According to last composition of constituencies of district Pishin as given below and mentioned with the help of map as Annexure "A" were actually not at par with conformity geographical compactivity of the area's administrative units, facilities of communication and public convenience between the public & their expected representatives with an unbalanced and angular, continuances in shape. (Annexure A & A1).
Objection to proposed constituencies on the basis of census number in 2017.
3. That the very important-aspect of the draft limitation in the preliminary report of constituencies under consideration is the draft delimitation bifurcation of constituencies of district Pishin on the basis of the un acceptable very minimum growth of population appeared on the face of census report of census of 2017 to the extent of Tehsil barshore with a so called growth of 7+ % for the past 20 years as compare to census 1998. as mentioned through numbers of population of Tehsil bar shore & Toba Kakari in

census report 2017 is very exceptional and un acceptable for a prudent mind, and against the ground realities, facts & fair play .

Objection to the geographical structure of the proposed constituencies delimit zed by ECP.

4. That the un natural contiguity of territorial limits, wings bearing composition of PB-19 Barshore is once again very painful and unbalanced and not in accordance to the very purpose, convenience, and homogeneity of population and spirit of principles of election ACT-2017.

Proposal No.1

Proposal / representations No.1 to ECP regarding composition of new requested constituencies in Distts Pishin. Whereas the draft delimitation against the preliminary report of constituencies in respect of district Pishin given below is very practicable balanced, with naturerel exact population, geographically compact area's access of communications, existing boundaries of administrative units, facilities of communication, public convince and homogeneity of population of tribal set up of the draft & scotched below delimitation of constituencies of district-Pishin is very feasible, easy & even mind blowing and acceptable for all organs of the society .
