

To

The Secretary,
Election Commission of Pakistan,
Islamabad.

Subject: **PROPOSED DELIMITATION OF RAWALPINDI DISTRICT**
PROVINCIAL ASSEMBLY WISE.

Kindly refer to subject:-

It is stated that during carrying the exercise of the delimitation of PP-15, 16 & 17 of Rawalpindi District a Natural Boundaries i.e. Main Murree Road and Main Siad Pur Road was not kept in mind, resultantly some areas of different cultures was mingled-up while formulating of that Constituencies. It is also stated that contiguity and Geographical compactness of the areas which are the main principle of the delimitation were also ignored.

2. It is now requested that keeping in view the basic principle of delimitation the contiguity and Geographical compactness/ culture of the people the proposed delimitation is submitted for your kind perusal and consideration, please.

3. If the proposed delimitation is adopted the target of multiple cognate features, contiguity, culture harmony will be achieved. It is further stated that during the proposed delimitation, the first and the foremost factor of population was strictly kept in the mind and the variation of 10% does not exist anywhere.
