

MEMORENDUM

2nd April, 2018.

The Secretary,
Election Commission of Pakistan,
Islamabad.

Subject: Representation against draft delimitations 2018 issued by Election Commission of Pakistan (ECP) with reference to Constituencies of Provincial Assemblies PP-19 & PP-20

Respectfully stated:

- (i) That I Muhammad Jamil Jaber s/o Muhammad Akram CNIC No.37405-0352507-1 is a voter in newly constituted National Assembly NA-60 and provincial Assembly PP-19.
- (ii) That with reference to para(i) above. I am legally competent to submit my representation for amendment in proposed delimitation issued by Election Commission of Pakistan.
- (iii) That charge number 11202 is essentially required to be included in PP-19 instead of PP-20, as it is deviding ward-2 of Chaklala Cantt between PP-19 and PP-20.
- (iv) That charge number 11027 and 11028 of Munciple Corporation may be included in PP-20 in place of the area of charge number 11202 of Chaklala Cantt.
- (v) That with the amended proposal vide iii and iv above, the geographical as well as logical requirement can be met and there will be no loss to any area.

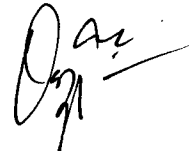

- (vi) That the above proposed ammendments are also logical because these areas were previously attached with same provincial assemblies as proposed in the memorandum.
- (vii) That whole UCs/Wards of Muncipal Corporation and cant board are on one side and not parcially divided.
- (viii) That the area of NA-60 will remain unchanged, if the proposal is accepted by the authorities.
- (ix) That I have no objection on the remaining areas of district Rawalpindi.

Prayer

That in view of the aforementioned grounds, it is proposed that the draft delimitations of PP-19 and PP-20 may kindly be amended as per proposals above in the best interest of the people. Further details and maps, legal points and proofs will be submitted at the time of arguments.

Yours truly,

(Muhammad Jamil Jaber)
