IN THE ELECTION COMMISSION OF PAKISTAN.

Application NO. _____ / 2018

Hafiz Muhammad Usman S/ONabi Ahmed, Resident of Near By-Pass, Mohalla Gulberg
Housing Colony, Tehsil Chichawatni, District Sahiwal. CNIC – 3650171979049, vote No.
334 (Applicant)

**OBJECTION PETITION AGAINST THE DELIMITATION OF CONSTITUENCY PP 202 PASSED BY THE
ELECTION COMMISSION, PAKISTAN**

Respectfully Sheweth:

1. That, the applicant submitted the proposal for the district provincial constituencies. As per ECP rules I rightfully expected that ECP would give me the chance of representation. But I was denied the opportunity only to be surprised by the irregularities found in the ECP proposal.
2. That, there is no conformity in the delimitation of all the provincial constituencies. There are bigger population differences between the provincial constituencies of the district.
3. That, the residents of district Shahiwal depend upon the canal irrigation for their livelihood. Historically, Canal distributaries have contributed a great deal in their political orientation. No regard to this end has been paid by the ECP proposal.
4. That, the ECP has completely ignored the ethno-linguistic divisions of the district which had defined their political interests in the past.
5. That, the ECP proposal completely disregarded the communication roads within different constituencies.

PRAYER:

It is therefore, most respectfully prayed that my original proposal as already submitted be adopted in place of the current ECP proposal.
