Subject: **OBJECTIONS OVER DELIMITATION OF PROVINCIAL  
CONSTITUENCY PP-180, KASUR VII.**

Respectfully Sheweth:-

1. That applicant is candidate of member provincial assembly in PP-180, Kasur-VII. My vote registration detail is as under:-  
Block No.191040802, Serial No.415, Area Chak No.45 Padhana, Tehsil Pattoki.
2. That applicant obtained preliminary report, list of constituencies specifying the areas proposed to be included in each constituency along with the map of District Kasur.
3. That in the proposed delimitation of constituency PP-180 Kasur VII Patwar circles Sheikhum, Hanjrai Kalan, which were previously part of this constituency are detached from it and included in PP-179, Kasur VI. Whereas patwar circle Jamber Kalan, Jamber Khurd, Khan Key More, Phuliani I, Phuliani II and Haripur are attached with PP-180, Kasur VII which were included in PP-181-VIII. These changes are against the local revenue limits and Qanungoi circles. Thus areas specified in this constituency overfly in PP-179 Kasur VI. Therefore in the delimitation revenue circles of Jamber along with allied circles are disturbed which is against the prudence of mind and scheme of law.
4. That Qanungo circle Raja Jang is included in PP-182 Kasur IX, whereas two patwar circles Khara and Lakhneki overfly in PP-175 Kasur II. Thus the same is against Election Act and Rules 2017.
5. As per Election Act and Rules 2017 no provincial constituency will exceed to population limit of 4 lacs whereas populations of proposed constituency of PP-182-Kasur IX exceeds from 4 Lacs which is against the law of land. Thus the same is against Election Act and Rules 2017.
6. That in light of objections made in para 3,4 and 5 for the purpose of amendment alteration and modification in the final list of constituencies of District Kasur. I have annexed the proposed list of all constituencies specifying the proposed areas of each constituency along with proposed map of District Kasur as per my proposals for each constituency.
7. That the proposals of applicant regarding delimitations are in accordance with Qanungo and Patwar circles limit which are also

within the maximum population fixed for each provincial constituency, whereas the proposed area of each constituency along with map is against the principles laid down in Election Act. and Rules 2017.

8. That amendments, alterations and modifications proposed by applicant are very assential to hold fair and free election which is basic and sole mandate of The Commission.

It is therefore requested that while accepting these objections necessary amendments, alteration and modification be made in constituency PP-179 Kasur VI along with other constituencies of the Kasur which are proposed by applicant.
