SUBJECT: APPLICATION FOR OBJECTION AGAINST DELIMITATIONS PP-47

Respected Sir,

It is humbly requested that I belong to Tehsil Shakargarh District Narowal Provincial Constituency No. 47 according to new delimitations. I want to bring into your notice that Revenue Area named Gumtala is being fallen in PP-47 which is situated away from the constituency area having no direct link and is across Nullah Basantar(geographically it is part of PP-46 jurisdiction). Having no road connection it is difficult for the masses of the area to reach to the polling station by crossing Nullah Basantar. After including this Revenue Area into PP-46 none of nomenclature of Constituency would be disturbed as the Population of PP-46 would be 3,43,000 and PP-47 would be 3,31,000. Already In our District the population of PP-49 is 3, 26,086 and of PP-50 is 3,58,432.

Therefore, you are requested to take into consideration of my request and transfer the Revenue area Gumtala to PP-46 instead of PP-47 to facilitate the general masses of the area to have their communication through roads and geographic position. You kind and sympathetic consideration would highly be appreciated.

Yours Sincerely

Muhammad Anwar S/O Muhammad Shafi
