	TOTAL	354,889		TOTAL	347,402

**GROUND FOR PROPOSED COMPOSITION OF PS-80,
JAMSHORO-I**

1. That new proposed composition does not hit section 9 of the Delimitation of constituencies Act 1974, simply put, constituency delimitation is the equitable and balanced segmentation of communities into units for electoral representation.
2. That the Tapadari Circle Lakhri is part and parcel of STC Manjhand which is already in PS-80 Jamshoro-I and TC Lakhri may be feasible to be include in PS-80 Jamshoro-I and exclude it from PS-81 Jamshoro-II.

3. That the convenience of the people and geographic features may be given due consideration.
4. That the communication approach of the people to his representatives is more easier then notified composition.
5. That Tapedari circle Lakhri is territorial unit and compact to STC Manjhand as well as PS-80 Jamshoro-I.
6. That after excluding TC Lakhri from PS-81 there in no effect upon the population criteria.
7. That this composition made equality of voting strength as Taluka Sehwan has more population than Taluka Manjhand.

**PROPOSAL FOR THE NEW COMPOSITION OF THE
CONTINUANCE PS-81, JAMSHORO-II**

	(h) TC Raheer of Taluka Kotri	902			
	TOTAL	344,575			TOTAL

**GROUND FOR PROPOSED COMPOSITION OF PS-81,
JAMSHORO-II**

1. That this constituency immediately starts after PS-80 Jamshoro-I.
2. That the notified constituency i.e PS-81 hit the principles of Delimitation, as it is clearly mentioned that constituency must be compact area, facilities of communication and above all public convenience.
3. That there is no communication way because Thano Bola Khan only connect to notified constituency through mountain ways (trails/Paths) the only way to people of area approach their representatives by this way is to adopt first Super Highway M9, it is almost more then ninety km, so proposed composition is more convenient to the people of the area.

4. That an other cogent reason is existing boundaries of administrative units is more adjacent to Taluka Kotri rather then Taluka Thano Bola Khan.
5. That it means approach of people is more easier to proposed constituency then notified constituency.
6. That it is further submitted geographically and culturally communities are such convenient to proposed constituency i-e PS-81 Jamshoro-II.

**PROPOSAL FOR THE NEW COMPOSITION OF THE
CONTINUANCE PS-82, JAMSHORO-III**

PROPOSED COMPOSITION			NOTIFIED COMPOSITION		
No & Name of constituency	Extend of constituency	Population	No & Name of constituency	Extend of constituency	Population
PS-82 Jamshoro-III	(a) MC Bolhari of Taluka Kotri (b) Taluka Thando Bola Khan	158224 145450	PS-82 Jamshoro-III	(a) Kotri Taluka excluding following areas (i) Bada STC and (ii) TC Jamshro of District Jamshoro	318108
	TOTAL	303674		TOTAL	318108

**GROUND FOR PROPOSED COMPOSITION OF PS-82,
JAMSHORO-III**

1. That there is TC Bolhari consist on both urban and rural population. The urban population which consist MC Bolhari i-e 158224 and rural population i-e 40491. There is no way to balance the population of all three provincial constituency but to divide the population of TC Bolhari, into MC Bolhari and rural Bolhari.
2. That the population of MC Bolhari is more adjacent to Taluka Thano Bola Khan and well connected with it that is motorway M9, the population was previously part of same constituency i-e PS-72 now proposed PS-82.
3. That proposed constituency is also compact with each other as constituency is consist of mountain areas (Kohistan). It is also geographically and commutatively with each other.
4. That except this population M.C Bolhari if any other area connected with PS-82 Jamshoro-III that people of that first connect with area of M.C Bolhari the lead to Thano Bola Khan which is head quarter of PS-82.

S

5. That your honor already proposed PS-82 consists on 327632 of three talukas that Thano Bola Khan, Kotri, Manjhand, as Taluka Manjhand is too away because of convene of communication while MC Bolhari of Taluka Kotri only near area which is geographically compact with Thano Bola Khan so if undersigned proposal except in that formation PS-82 will be on two taluka population.

PRAYER

It is prayed that constituency is very important component in the democratic process. It is basic unit in selection of representatives of the area. Thus constituencies area drawn on the basis of equity, fairness and balance to ensure representation in political participation. So in this regard may kindly alter or modify and redistribute the boundaries of PS-80, PS-81 and PS-82 Jamshoro-I,II and III in the larger interest of the people of District Jamshoro.

The prayer is made best interest of justice.
