**Objections on Delimitation of PK-48 Mardan-I, KPK which has been delimited by violating the basic principles and guide lines as enacted in Article 20 of Election Act 2017**

Respected Sir,

Petitioner/objector submits as under:-

1. That the applicant is the bonafide resident of Tehsil Katlang District Mardan-KPK and is aggrieved on the recent delimitation of PK-48 Mardan-I KPK.
2. That the delimitation of constituency of PK-48 is against Election Rules and Election Act 2017 which provides basic requirements and guide lines for delimitation but delimitation committee has delimited the above constituency in utter disregard of Election Rules and Election Act 2017.
3. That patwar circle (i) Kalo, Shahbat Khel and Mian Issa have been included in the above constituency PK-48 which comes under the administrative unit of Tehsil Takht Bhai as well as qanungo halqa and patwar circle of Tehsil Takht Bhai in this way the committee has ignored the basic principles of physical features and have not taken the administrative unit, the revenue unit and the welfare of people of locality astonishingly the above mentioned qanungo halqa of Tehsil Takht Bhai has been added in PK-48 Mardan-I, while the head quarter of administrative of Tehsil Katlang has been deleted from PK-48 and has been included in another constituency PK-49 Mardan-II, which comes under the ambit of Tehsil Rustum District Mardan which is the clear violation of mandatory rules and principles of delimitation.

Handwritten signature and date: 28/02/2016

Handwritten circled number: 2

4. That according to the Election Rules 2017 delimitation of constituency shall start from the northern end of the district and clock wise manner while in the present case the above constituency has been delimited in an anti clock wise manner which is the sheer violation of Election Rules and Regulations.
5. That the delimitation committee prior to the delimitation of above constituency has not taken into consideration the spot, revenue paper i.e Aks Shajra Kashtwar of the said area because by the inclusion of patwar circles Kalo, Shahbat Khel and Mian Issa in PK-48 it will be very hard for the people of above said patwar circles to approach PK-48 directly because if someone of the above patwar circles wants to enter PK-48 he has to approach from PK-55 by travelling a journey of 20/25 Kilometers and the similar situation is for the people of Head Quarter Tehsil Katlang and Belandi which have been delimited from PK-48 because the people of patwar circles Katlnag and Belandi are having no direct approach to PK-49 if some one from Katlang and Belandi wants to enter PK-49 they have to cross PK-50 and PK-51 in such a way Tehsil katlang Head Quarter and Belandi patwar circle have been wrongly and illegly included in PK-49 by ignoring the basic principles and guide lines vide Article 20 of Election Act 2017, however, Tehsil Katlang and Belandi patwar circles are the natural part and partial of PK-48 being under the administrative unit of Tehsil Katlang and besides this they are related with each other having same sub-tribe Tapa Sharqi Baizai.
6. That patwar circles Kalo, Shabat Khel and Mian Issa having population of 58,475 approximately may kindly be deleted from PK-48 and patwar circles of Katlang, Belandi and Kunj having population of 58,028 approximately may kindly be deleted from PK-49 in such a position there will be no violations of Election Rules and Regulations and will meet the

basic requirements of geographically compactness, convenience between the inhabitants of PK-48 which comes under the administrative and revenue control of Tehsil Katlang.

7. That if the newly delimited PK-48 is not interfered and the sheer violation while at the time of delimitation are not reconsider it will create so many difficulties and hardships for the inhabitants of whole Tehsil Katlang whose Tehsil Head Quarter has been excluded from PK-48 and a for flange patwar circles of Kalo, Shabat Khel and Mian Issa are included in the vicinity of Tehsil Katlang unnecessarily and in utter disregard of Election Act 2017.
8. That the applicant has prepared proposals according to basic guide lines and principles per Election Act 2017 which are annexed with my petition.

It is humbly requested, that the objections may kindly be allowed and the delimitation of PK-48 may kindly be reconsider as per rules and regulations enacted in Election Act 2017 in the best interest of justice and fair play.
