To,

The Secretary
Election Commission of Pakistan,
Islamabad

REPRESENTATION UNDER ELECTION ACT, 2017 FOR
NA-52, NA-53, NA-54, ISLAMABAD CAPITAL
TERRITORY

Respectfully Sheweth:-

1. That the petitioner is registered voter at serial No.93, Kot Hathial, NA- 53, Islamabad.
2. That the election commission of Pakistan has published list of the constituencies i.e. NA-52, NA-53 and NA-54, Islamabad.
3. That the petitioners proposes the delimitation of constituencies herewith in as Annexure-A, which may be treated as integral part of instant petition.
4. That the following are the grounds of representation;-
 - a. That the population of Islamabad capital territory has been disproportionately distributed in NA-52, NA-53 and NA-54. The NA-52 has been shown population of 700744, NA-53-670683 AND NA-54 630152.
 - b. That the principles of delimitation mentioned in the election Act, 2017 have not been followed with respect to census charge number and the patwar circles.
 - c. That the preliminary delimitation made by Election Commission of Pakistan is not appropriate, because

the geographical and physical boundaries have not been considered, e.g., the Patwar circle Frash has been bifurcated into NA-52 & NA-53 constituencies, similarly the rural areas Frash and Kurri have the same customs, relationship of such Patwar circle is between the residents therefore homogeneity demands those Patwar circles may be included in NA-53 only.

It is therefore, most respectfully prayed that the representation herein made by the petitioner may be considered and the delimitation of constituencies NA-52, NA-53 and NA -54 may kindly be amended, altered and modified in the public interest.
