

ELECTION COMMISSION OF PAKISTAN
(Public Relations Wing)

PRESS RELEASE

Clarification / Rebuttal

Islamabad the 18th August, 2017, A Section of Electronic media has on aired a news giving an impression that a bulk of transfers involving officers have been made in the Provincial headquarter of Baluchistan.

It is clarified that the news of transfer of Regional / District Election Commissioners is baseless and does not carry any truth.

The Provincial Election Commissioner Baluchistan has made only a few adjustments of non-gazetted officials as per the need of the office which purely is the mandate of the PEC Baluchistan.

Thus the record may please be kept straight.
